

8 Inch Scaffolding Caster - Heavy Duty Caster with Moldon Rubber Wheel - Total Lock Brake- 300kg Capacity

PART NO. SCAFA-200050R-12

SKU 6920000870

HOT-SELLING

Formed rig is stronger than welded design!

DESCRIPTION

SCAFA series 8-inch Scaffolding caster with mold-on rubber on cast iron core wheel, Solid stem standard scaffold caster are equipped with total lock brakes. This is a standard scaffold caster specially designed for the standing and short-distance movement of construction scaffolding equipment. 440-1100lbs load capacity per caster, features an easy to engage total locks that locks both wheel and swivel and allow easy locking and repositioning. SCAFA series scaffold caster has the characteristics of scientific design, convenient operation and safe use.

FEATURES

- Pressed steel double ball raceway swivel. King bolt and nut construction for added strength. Sealed swivel section available, Keeps out debris.
- The housing is made of high-quality pressed steel and double-sided welding to upper raceway way, which can withstand high load environment.
- Features an easy to engage total locks that locks both wheel and swivel and allow easy locking and repositioning.
- Mold-on rubber on cast iron core wheel. Roller bearing with drilled hardened steel spanner bushing

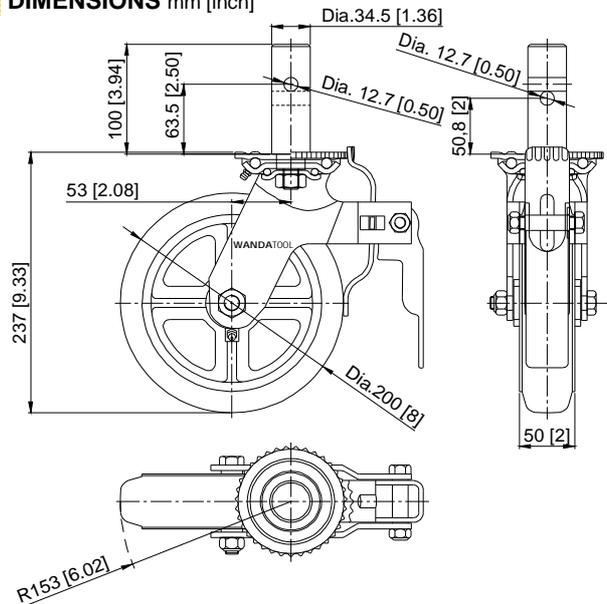

ADVANTAGES AT A GLANCE

Roll performance	★	★	★	☆	☆
Movement noise	★	★	★	☆	☆
Attrition	★	★	★	☆	☆
Corrosion resistance	★	★	★	☆	☆

TECHNICAL DATA

TECHNICAL	°C / mm / kg	°F / inch / lbs
Wheel Diameter (D)	200mm	8 inch
Width of Tread (W)	50mm	2 inch
Wheel Type	Moldon rubber on cast iron core wheel	
Hardness of Tread	85 +/-5 Shore A	
Wheel Bearing	Straight roller bearing	
Caster Brake	Total lock brake	
Fitting Type	Solid round stem	
Solid Stem O.D.	34.5mm	1.36mm
Stem Length	100mm	3.94inch
Hole Spacing (L1)	63.5mm	2.5inch
Hole diameter (P1)	12.7mm	0.5inch
Hole Spacing (L2)	50.8mm	2inch
Hole diameter (P2)	12.7mm	0.5inch
Swivel Offset	53mm	2.08inch
Swivel Radius	153mm	6.02inch
Load Height (H)	237mm	9.33inch
Load Capacity	300kg	660lbs
Caster Weight	5.3kg	11.7lbs
Packing	CTN SIZE: 60x21.5x17 cm 4PCS/CTN
